

## **NEPAUL BEING THE SUBSTANCE OF OBSERVATIONS MADE DURING A MISSION T**

If, after the first cell division, the two offspring cells, for any reason, should happen to fall apart, each offspring cell may then go on to develop into a complete organism of its own. The result is a pair of identical twins, each with the same genetic equipment and each of the same sex, of course. In a sense, each twin is a clone of the other..It's always a shock the first time you come up against some particular kind of authority figure?a dentist, a psychiatrist, a cop?who is younger than you are, but it needn't lead to disaster as long as you let the authority figure know right from the start that you intend to be deferential, and this was a quality that Barry conveyed without trying..Jam Snow, my intermittent unrequited love.
