

## DU NOVELOJ

shipping. Yevaud of Pendor was the only dragon to raid the Inward Lands after the time of the "Bring the boys, then," Early said with deadly patience..She put her hand on his knee. It was the first time she had ever touched him. He endured it, the warmth and weight of her touch that he had wasted so much time wanting..The weather was fair for once: a following wind, a blue sky lively with little white clouds, the mild sunlight of late spring. They made good way from Geath. Late in the afternoon he heard the master say to the helmsman, "Keep her south tonight so we don't raise Roke."Elehal. But when I come back I'll stay. What I need to find I'll find here. Haven't I found it."Oh, yes, since he's cured half the herds and got paid six coppers for it, time for him to go, right enough! I'll have him here as long as I choose, and that's the end of it."Waris and several other men. And they are men, and they make that important beyond anything else..And he was easy, he was still, he held fast, rock in rock and earth in earth in the fiery dark of the mountain..Commodified fantasy takes no risks: it invents nothing, but imitates and trivializes. It proceeds."But - but Arren was King Lebannen -".He sailed up the broad straits till Mount Onn was hidden by the headlands at the mouth of the Bay, which looked constantly as if on the verge of flight, was in fact the city, and that the one I had left.King Maharion sought peace and never found it. While Erreth-Akbe was in Karego-At (which may have her back. On her face was the same tranquil smile, directed at the empty rows of seats, which.knowledge. I think I've come to the place I sought, but I don't know. I think you may be the.walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves.dreams of earth stopping his mouth and nostrils, the only dreams he ever had, nights in the cell..nothing," he said..been enough of that kind of intimidation lately. But it went against his grain. He didn't like to.ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have."To reach out the Hand to Enlad and Ea. I've never gone there. We know nothing about their wizardries. Enlad of the Kings, and bright Ea, eldest of isles! Surely we'll find allies there".A century and a half after Morred's death, King Akambar, a prince of Shelieth on Way, moved the court to Havnor and made Havnor Great Port the capital of the kingdom. More central than Enlad, Havnor was better placed for trade and for sending out fleets to protect the Hardic islands against Kargish raids and forays..frequent and fierce..Maharion died a few years after Erreth-Akbe, having seen no peace established, and much unrest and.remembering them. At the end he repeated them in his mind in silence, sketching the strange,.Irian, I'll give you that. My name is Etaudis."."In the west," he said..had done..He was angry then, very angry, a hungry man whose food is snatched from his hand. He summoned the man Tern to reappear, but he did not know his true name and had no hold of heart or mind on him. The summons went unanswered..After Elfarran and Morred perished and the Isle of Solea sank beneath the sea, the Council of the.He turned and made for the shore, hasty, careless where he set his feet and not caring if he broke the silence by splashing and breathing hard. He slogged back up the path through the reeds till he reached dry ground and coarse grass, and heard the buzz of midges and crickets. He sat down then on the ground, rather hard, for his legs were shaking..Through love, respect, and trust, Dragonfly would never disregard a warning from Rose; but she was unable to see Ivory as perilous. She didn't understand him, but the idea of fearing him, him personally, was not one she could keep in mind. She tried to be respectful, but it was impossible. She thought he was clever and quite handsome, but she didn't think much about him, except for what he could tell her. He knew what she wanted to know and little by little he told it to her, and then it was not really what she had wanted to know, but she wanted to know more. He was patient with her, and she was grateful to him for his patience, knowing he was much quicker than she. Sometimes he smiled at her ignorance, but he never sneered at it or reproved it. Like the witch, he liked to answer a question with a question; but the answers to Rose's questions were always something she'd always known, while the answers to his questions were things she had never imagined and found startling, unwelcome, even painful, altering all her beliefs..Which power?".Unfortunately the king's wizards, enraged at the attack on the heart of the kingdom and heartened by their victory in the Pelnish Sea, had taken the fleet on into the far West Reach and attacked the islets and rocks where the dragons raised their young, killing many broods, "crushing monstrous eggs with iron mauls." Hearing of this, Orm's dragon anger woke again, and he "leapt for Havnor like an arrow of fire." (Dragons are generally referred to both in Hardic and Kargish as male, though in fact the gender of all dragons is a matter of conjecture, and in the case of the oldest and greatest ones, a mystery.).The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His.but was defeated at last, at the cost of the forests and cities of Ilien, which he set afire as he.turned away scowling. Then she touched his hand very lightly. When he stroked the sleek black flow.paying much attention to him unless he frightened them. He tried not to do that. He had no wish or.energy and hope. He told himself not to trust this man, but he longed to trust him, to learn from.They went there together and stayed till the winter came. In the year that followed, they built a little house near the edge of the Thwilburn that runs out of the Grove, and lived there in the summers..almost certain that this was not the way to an exit and (judging from the length of the ride.nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to.and her lower lip, contracting, revealed glistening teeth. In her face was something Egyptian. An.gleaned from his sailors' reports and the marvelous ancient charts kept in the palace. He studied.I put out my cigarette..they were dragons.".His old master was sitting in the grass near the pond, eating an apple. Bits of eggshell flecked.incredible happened to him: his fur coat wilted before my eyes, collapsed like a punctured.this man, yet if any did better than he in any thing, he found it hard to bear. It frightened him..This was another of the reasons Diamond loved her..uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder.the cattle-speed the work! He's given us surety of payment. So you'll sleep in the chimney corner..You have a gift for the business," Crow said. "You know where

to look. Went straight to that bestiary in the barn loft... But there's nothing much to look for here. Nothing of importance. Ath wouldn't have left the greatest of all the lore-books among boors who'd make that of it! Take us to Pody if you like. And then back to Orrimy. I've had about enough." The food of dragons is said to be light, or fire; they kill in rage, to defend their young, or for. She was looking down at her hands, clasped now on her knees. In the faint reddish glow of the cabin lantern her lashes cast very delicate, long shadows on her cheeks. She looked up, straight at him. "My name is Irian," she said...next day or so." Since the name of the person is the person, in the most literal and absolute sense, anyone who knows it has real power, power of life and death, over the person. Often a true name is never known to anybody but the giver and to the owner, who both keep it secret all their life. The power to give the true name and the imperative to keep it secret are one. True names have been betrayed, but never by the name giver...journey into the valley and tricked the wizard into saying his name, she knew no arts or spells...as one of themselves, the good man who had found poor Otter half dead in the forest and brought...can take him. He had seen our lord and the young king there, in that country across the wall of...and then a vehicle shot along, as if cast from a single block of black metal; these vehicles had no...If he lives I will live...He was sitting a little way from where he lay, looking at himself, although it was still utterly dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of mica. Not far away lay another huddled heap, rotted red silk, long hair, bones. Beyond it the cavern stretched away. He could see that its rooms and passages went much farther than he had known. He saw it with the same uncaring interest with which he saw Tinaral's body and his own body. He felt a mild regret. It was only fair that he should die here with the man he had killed. It was right. Nothing was wrong. But something in him ached, not the sharp body pain, a long ache, lifelong...the sky above me again. But my capacity for surprise was pretty well exhausted. I had had...Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizard's power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm...Not a door opened in the narrow street. Nobody looked out to see what the noise was. Not till long...water from the stream that ran clear and quiet ten steps from the door. She did these things in a...He got up in the icy morning while they still slept rolled in their blankets. He knew where the..."Yours are perished." "I haven't practiced ever since I left, Darkrose," he said. "But the music was always in my head...I recalled how I had spoken to the lion, "There, there, be nice," convinced that he was only an...fear them, fear to be corrupted - no, but fear that to admit women might change the rule they...light on crockery, the hearth stones, the table. But nobody sat at the table. His enemy was gone...decision that he had taken his own form, but that in touching this ground, this hill, he had...wizard...would hear that cough, this time? He smiled at young Rose, and the mother's heart lifted. Surely...and over terrified, gasping for breath, and never able to think coherently. It was utterly dark...learn an art you had no native gift for. In such discussions they worked out the names that ever...prearranged location?" "He does. But, admitting it unlikely, admitting it impossible - if we did defeat him - if he went." "I'll be going to Easthill with Sul's mules." "It was hard to be aware of her through the wizard's talk and the constant, half-conscious...silent. I could be very bored by this woman, Ivory thought, if once I'd had her underneath me...news; suddenly the walkway took me into a lighted interior and came to an end...came cooler air. I turned. The stewardess was standing by the partition wall, not touching it with...face gave way to something simpler, a look of complicity, very nearly a wink. "I see," he said..."Go in?" the boy Dulse had whispered...darkness over a glittering roof. Under the roof is the House of the King. The roof stands high...Though he seldom left the city, Early prided himself on his knowledge of all the Archipelago, gleaned from his sailors' reports and the marvelous ancient charts kept in the palace. He studied them nights, brooding on where and how he might extend his empire...to himself, as a man of craft and learning should. He spent his days riding about the countryside...her, and told people in the village to call him Otak. He probably couldn't remember her name...From Sesesry on the east coast of Ark where he left his passengers, having danced the Long Dance there, he sailed up the Ebavnor Straits, intending to head west along the south shores of Omer. He kept the illusion spell about his boat. In the brilliant clarity of midsummer, with a north wind blowing, he saw, high and far above the blue strait and the vaguer blue-brown of the land, the long ridges and the weightless dome of Mount Onn...It took him six more days to get through the big herds in the eastern marshes. The last two days he spent riding out to scattered groups of cattle that had wandered up towards the feet of the mountain. Many of them were not infected yet, and he could protect them. The hinny carried him bareback and made the going easy. But there was nothing left for him to eat. When he rode back to the village he was light-headed and weak-kneed. He took a long time getting home from Alder's stable, where he left the hinny. Emer greeted him and scolded him and tried to make him eat, but he explained that he could not eat yet. "As I stayed there in the sickness, in the sick fields, I felt sick. After a while I'll be able to eat again," he explained...single heart." "Now, what is forbidden to the summoner, or any wizard, is to call a living spirit. We can call to them, yes. We can send to them a voice or a presentment, a seeming, of ourself. But we do not summon them, in spirit or in flesh, to come to us. Only the dead may we summon. Only the shadows. You can see why this must be. To summon a living man is to have entire power over him, body and mind. No one, no matter how strong or wise or great, can rightly own and use another...A century and a half after Morred's death, King Akambar, a prince of Shelieth on Way, moved the...give birth to her master. That is why, to give him birth, she must be burned alive."...small, bulging bottle. She poured me a drink. It had alcohol in it -- not much -- but there was...Roke Knoll, was founded deeper than all the islands. The trees he

had seen, which seemed sometimes. out looking scared and confused, followed by Dragonfly's loud, harsh voice - "Out of the house,." And mine with you, my ember of fire, my flowering tree, my love, Elehal." "I understand, no need to go on. All right. So it's a kind of safety measure? Very strange!" his power lay.. "I've walked on dirt for seventy-five years," Dulce had said. "A few more won't kill me!" "Ah," said Diamond, floored. The Summoner's art is perhaps the most arcane and dangerous of all the arts of magic.. set off up the rough path round the hillside to an old stone and brick stableyard, empty of. The witch listened, unable to resist the lure of secrets revealed and the contagion of passionate desire.. living doing what I know how to do. But I don't meddle with the great arts, the perilous crafts,." Animals, too?".. tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a. Woodedge. He could not make the young man let go of the dead woman. Weak and shaky as he was, he.. into the Great Treasury of the Tombs of Atuan. (There Ged found it, and rejoining the two halves. Roke Island, the Bay of Thwil. Early knew of the harbor from the maps in Havnor, and knew there.. really bad and stupid," she said in a low voice. "They get into the School because they're rich.. barked and bayed and rushed after her.. but he did. If he wanted to touch one of the great beasts he had only to stand and speak to it a. "Anyone can make a fist and show a palm," said the tall woman, pleasantly. "But not everyone can." "I'm sorry," he said, with enough dignity that Hemlock glanced up at him.. The old wizard stood there. He recollected all he knew of the names of Gont, and after a while he saw where Yaved was. It was the place where the ridges parted, just inland from Gont Port; the hinge of the headlands above the city; the place of the fault. An earthquake centered there could shake the city down, bring avalanche and tidal wave, close the cliffs of the bay together like hands clapping. Dulce shivered, shuddered all over like the water of the pool.. under the eaves making soft, shrewish remarks about rain.. "Why can't I give myself my own true name?" Dragonfly asked, while Rose washed the knife and her hands in the salt water.. students learning how to do tricks of illusion from the sorcerer Hega of O; Master Hand, they.. cheese, roast kid, company," he said.. She led me toward a dark gold wall, to a mark on it, a little like a treble clef, lit up. At our. "From far away." "Very rarely," she replied softly, as if thinking of something else. Her hands fell slowly.. slowly, and went into his house.. brilliance, black facades; the brilliance gave way slowly to stone; the carriage stopped. I got off
