When he came home he had a three-year-old daughter with him. He turned her over to the housekeeper. "I am hungry now," said the mage. He took a hardboiled egg from the basket, cracked, shelled, and ate it. Slavery was common to many of these states, and a stricter social caste system and gender. You wouldn't ask me to pay you what I have in mind to pay you, would you. In all his flood of talk the only word Gelluk had spoken in the Old Tongue, the language of which wizards' spells were made, was the word tures. He had said it meant semen. Otter's own gift of magery had recognized that meaning as the true one. Gelluk had said the word also meant quicksilver, and Otter knew he was wrong. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. Or to have thoughts about such things as rule or misrule. Or to have any powers." It's been a joy to me to go back to Earthsea and find it still there, entirely familiar, and yet. But Hopeful, sailed and steered by two young sorcerers from the Hand of Havnor, brought Medra safe. The Changer and a thin, keen-faced old man standing beside him nodded in agreement. The Master Hand said, "Irian, I am sorry. Ivory was my pupil. If I taught him badly, I did worse in sending him away. I thought him insignificant, and so harmless. But he lied to you and beguiled you. You must not feel shame. All magic practiced by women was called "base craft," even when it included practices otherwise called "high arts," such as healing, chanting, changing, etc. Witches were to learn only from one another or from sorcerers. They were forbidden to enter Roke School, and Halkel discouraged wizards from teaching women anything at all. He specifically forbade the teaching of any word of the True Speech to women, and though this proscription was widely ignored, it led in the long run to a profound, long-lasting loss of knowledge and power among the women who practiced magic.. Slowly their talk turned from vision to intention, from longing to planning. Veil was always cautious, warning of dangers. White-haired Dune was so eager that Ember said he wanted to start teaching sorcery to every child in Thwil. Once Ember had come to believe that Roke's freedom lay in offering others freedom, she set her whole mind on how the women of the Hand might grow strong again.
